# STABBERT YACHT & SHIP

Stabbert Yacht and Ship (SYS) is a comprehensive marine support and refit facility located in the heart of Seattle's artistic community of Ballard. Let SYS be your new HOMEPORT as we offer up our "can do" attitude, with excellent pricing, strong work ethic, and an operational understanding that comes from 40 years of marine operational and repair experience.

No other facility blends the construction, refit, and repair capabilities with 40 years of international vessel operational experience like SYS. As your HOMEPORT, SYS provides project management, operational consulting, purchasing, crewing, port engineering, and vessel support, 24 hours per day, 365 days per year. Whether you need our help for one hour or an entire project, SYS is there to serve you.

Seattle is HOMEPORT to the Pacific Ocean and boasts many of the worlds top maritime subcontractors from hydraulics, mechanical, finish, structural steel, to electronics.

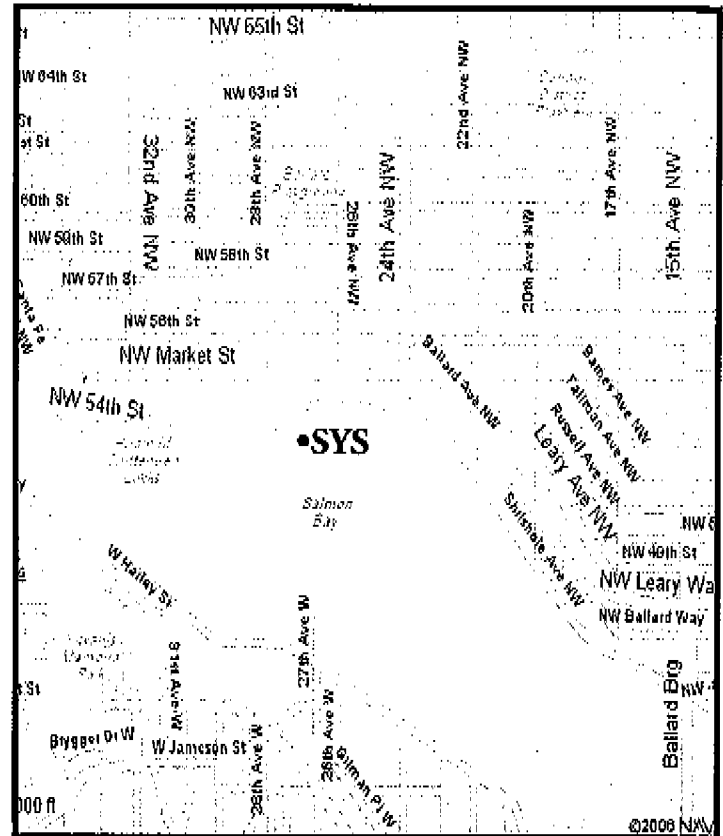

SYS understands the demands that the marine industry places on you. We have operated vessels in many capacities such as:

- Freight transport
- Chemical transport
- Passengers in Alaska
- Deep sea fishing in the Bering Sea
- Oil & gas, geotechnical and geophysical
- 4 point deep ocean mooring
- Hydrographic services support
- Department of Defense Special Missions support
- AUV and ROV support
- Undersea mining support
- Salvage
- Deep sea tug & barge operations

We hope that you will call SYS your PACIFIC HOMEPORT. Please take a moment to see what we can do for you.
